

The Language and Cultural Immersion program in the Agro-ecotourism Center

Here is a 3-day plan for the Language and Cultural Immersion program at the agro-ecotourism center:

Day 1:

Morning: Arrival and check-in at the accommodation facilities

Afternoon: Welcome meeting and introduction to the program, including an overview of the local language and culture

Evening: Traditional Georgian dinner with local hosts, accompanied by a presentation on Georgian customs and traditions

Day 2:

Morning: Language class (basic Georgian phrases and expressions) with a local language instructor

Afternoon: Visit to a nearby village to learn about traditional crafts and practices, such as wool processing and weaving

Evening: Dinner with a local family, followed by a cultural exchange activity (sharing stories and traditions from visitors' home countries)

Day 3:

Morning: Language class (continuation of basic Georgian phrases and expressions) with a local language instructor

Afternoon: Guided tour of a nearby historical site or monument, with a focus on its cultural significance and history

Evening: Farewell dinner and cultural performance by local musicians and dancers
